Arrival at the Hôtel-Dieu des Hospices de Beaune for the guided tour :

An iconic monument of Burgundy, known for its polychrome glazed terracotta roofs, the Hôtel-Dieu is a significant site in the history of hospitals, featuring Rogier van der Weyden's Last Judgment polyptych, its collections of furniture and objets d'art, its kitchen, apothecary, and treatment rooms.

Visit to the Fallot Mustard Factory : An independent, family-run Burgundian company since 1840. You will discover all the secrets of its production and conclude the visit with a tasting. Maison Fallot has managed to maintain the know-how of the mustard maker: grinding the seeds with a stone mill which preserves all the taste qualities of the paste.
